

Schedule of Benefits

Z6, 01/07

The Harvard Pilgrim Health Care of New England USNH-STAFF/FACULTY POS

Services listed are covered when Medically Necessary. Please see your Benefit Handbook for details.

This Schedule is part of your Benefit Handbook. It states the Cost Sharing amounts that you must pay for Covered Benefits and some important limitations on your coverage. It also identifies any supplemental medical benefits covered by your Plan.

There are two levels of coverage: In-Network and Out-of-Network.

In-Network coverage applies when you use a Participating Provider for Covered Benefits. When using Participating Providers, Covered Charges are based on the contracted rate between Harvard Pilgrim Health Care of New England and the Provider.

Out-of-Network coverage applies when you use a Non-Participating Provider for Covered Benefits. When using Non-Participating Providers, Covered Charges are based on the Providers charge for the service. In most cases, this will be higher than Harvard Pilgrim Health Care of New England's contracted rate.

Please refer to your Benefit Handbook for further information about how your In-Network and Out-of-Network coverage works.

Except for allergy injections, nutritional counseling and prenatal and postpartum care, your plan has two levels of Copayments that apply to outpatient physician services you receive while a Member of the Plan. These are **Level 1 Copayment, which is \$10** and the **Level 2 Copayment, which is \$20**. The Level 1 Copayment applies to outpatient physician services provided by your Primary Care Physician (PCP). All other outpatient physician services not provided by your PCP require you to pay the Level 2 Copayment.
