

**Change to APSJOB EPAF Approval Type**

You may notice a new field [Salary Grade] displayed on the Additional Pay Salary Services EPAFs. In order to improve the functionality of KSC's additional pay EPAFs a new field has been added to the APSJOB EPAF Approval Type. The Salary Grade field is now the very last field on the APSJOB EPAF Approval Type. For KSC EPAFs this field is overrideable so they can enter the appropriate value. For all other campuses this field is NOT overrideable.
