

## **New EPAF Upload Process**

The new EPAF Upload process NZPELOD currently developed for use with \*HAJFY EPAFs is available for use in BPRD. Those users who have attended training are reminded to utilize the [HAJFY EPAF UPLOAD TEMPLATE](#) and [Hire Adjunct Faculty EPAF Flat File Upload](#) instructions to create their upload file. We would also like to remind users that in order to have all EPAFs uploaded by the process Completed for the next payroll cycle [2008-B1-18, Check Date 09.05.2008], the EPAFs should be loaded by the week of 08.25.2008 and must be Approved no later than 10:45 a.m. on 08.29.2008.
