

GOOD NEWS! THE ROLL FROM FY09-FY10 WAS SUCCESSFUL!

The Banner HR roll from FY09 to FY10 that ran on June 19, was successful! New FY10 JOBS records and encumbrances have been created. From this point forward, the handling of personnel actions must be done very carefully and precisely. If a 7/1 record needs to be removed for any reason, follow these steps:

1. Remove the 7/1 labor line
2. Remove the 7/1 NBAJOBS Record
3. If the employee is continuing past July 1, 2009, a anew 7/1 NBAJOBS record and 7/1 labor line must be added.

If you have any questions at all, please contact STHR's for assistance.
