

No Core Deductions Taken from CY 2009 27th Pay

In calendar year 2009, there are 27 B-2 payrolls for OS and hourly employees. Core benefits (medical, dental and life) are only deducted for 26 payrolls. Consequently, this means that no core benefits will be deducted from the paycheck of 12/31/2009 for OS and hourly employees. Note that this only affects core benefits – all other deductions will be taken as part of the normal payroll process. A notice to this effect will be put on WISE and on the 12/16 and 12/31/2009 paycheck text box.

Questions should be directed to Campus HR/Benefits or Campus Payroll Offices.
