

Old Year New Year FY09 to FY10 Critical Dates.

We are deep in the testing phase of rolling from FY09 to FY10 (a.k.a. Old Year/New Year). As done in the past years we provide you with a copy of the [Critical dates and Useful Information document](#) outlining the critical dates and times that all Banner HR users should be aware of because of the impact on payroll and document processing. This document will be updated as changes occur.
