Logging in to PeopleAdmin

People Admin is part of the USNH Central Authentication Service (CAS)

1. Navigate to <https://jobs.usnh.edu/hr>
2. Click on “USNH Employee Login”

The image contains two side-by-side screenshots of the USNH login interface. The left screenshot shows a dark-themed page with the University System of New Hampshire logo at the top. Below the logo, it says "USNH Employees click here to login." in blue text. Underneath, there is a note: "USNH employees: Use the link ABOVE to log in using your current campus username and password." Below that, it says "Guest User Login Only:" followed by two input fields labeled "Username" and "Password", and a blue "Log In" button. At the bottom, it says "Authenticate with single sign-on?SSO Authentication". The right screenshot shows a light-themed page with the University System of New Hampshire logo at the top. Below the logo, it says "Enter your Username and Password" in a grey box. Underneath, there are two input fields labeled "Username:" and "Password:". Below the password field, there is a "LOGIN" button and a "clear" link. At the bottom, there is a "Need Assistance?" link. At the very bottom of the right screenshot, there is copyright information: "© 2017 Information Technology • University of New Hampshire Durham, NH 03824 • UNH IT Service Desk (603) 862-4242 TTY Users: 7-1-1 or 800-735-2964 (Relay NH) USNH Privacy Policies • USNH Terms of Use • ADA Acknowledgement".

3. At the USNH CAS login page, enter your USNH ITID in the Username field
4. Enter your password in the password field.
5. Click Log In

The PeopleAdmin Home Page

The screenshot shows the PeopleAdmin Home Page interface. At the top, there is a navigation bar with the University System of New Hampshire logo on the left and 'Inbox' and 'PeopleAdmin' on the right. Below the logo is a 'Watch List' button. The navigation bar includes links for 'Home', 'Postings', 'Applicants', 'Hiring Proposals', 'My Profile', and 'Help'. A user notification 'Test User, you have 1 message' is visible next to the user name 'Administrator' and a 'logout' link.

The main content area is divided into two primary sections: 'Inbox' and 'Watch List'. The 'Inbox' section (callout 4) displays items for the 'Administrator' group, with a table header for 'Job Title', 'Type', 'Current State', and 'Owner'. The 'Watch List' section (callout 5) displays a table of items with the same headers. On the right side, there are 'Shortcuts' and 'My Links' sections.

Numbered callouts highlight the following elements:

- 1: User notification and user name dropdown.
- 2: 'Watch List' button.
- 3: 'Home' navigation link.
- 4: 'Inbox' section header and table.
- 5: 'Watch List' section header and table.
- 6: 'Hiring Proposals' navigation link.

Job Title	Type	Current State	Owner
INFORMATION TECHNOLOGIST II	Staff	Draft	Campus HR User
ACADEMIC COUNSELOR II	Staff	Republished	Campus HR
Mobile ready staff position	Staff	Republished	Campus HR
Test92815	Staff	Closed	Campus HR
MatrixTesterDeptUser	Staff	Closed	Campus HR

1. User Role Selection

- a. In the upper right, click the drop down menu to see your User Roles.
- b. Different roles will give you access to different sections of PeopleAdmin
- c. Select the role you want to use. The page will refresh to update your role.

2. Site Navigation

- a. In the top right, click the drop down to select the **module** of PeopleAdmin you need.

3. Navigation Tabs

Applicant Tracking	Contains job Postings, related applicants / applications, and Hiring Proposals
Position Management	Contains job Classifications and Position Descriptions
Performance	Contains Performance Programs and Performance Reviews
Admin	Contains the administrative functions of the website, and is only available to a few users.

- a. Different tabs will appear based on the section of the website you are on, and based on your user role.
- b. Tabs are discussed more in-depth in the Position Description, Applicant Tracking, Performance, and Admin manuals.

4. Inbox

- a. Your Inbox shows tasks that have been assigned to you and are waiting for action.
- b. Examples include job postings or new user accounts waiting for approval.
- c. The Inbox may also show items assigned to one of your groups. For example, if a hiring proposal is waiting to be approved by Finance, it will show up in the Inbox of each member of the Finance group.

5. Watch List

- a. The Watch List lets you monitor items that are of special interest to you
- b. In most cases, when you are finished creating a posting, position, or hiring proposal, you will have the opportunity to add it to your Watch List
- c. The Watch List shows the current state of the items, so a user can see where that item is in the workflow

6. My Profile

- a. Displays personal information, such as groups, username, and contact info.

About User Roles

Role	Scope	Abilities
AAO Officer	Department	View Applicants and reports
Administrator	Organization	Ability to manage the system

Navigating Applicant Tracking

Home Tab

- Shows Inbox and Watch List

Postings Tab

- Hover over “Postings” and select Staff, Faculty, Adjunct Staff or Adjunct Faculty.
- Use “Search” box to find an existing posting or
 - See Search documentation beginning on page 9 of this document for help.
- Use “Create New Posting” Button to create a new job Posting.
 - See “Creating Staff Posting – Manual” or “Create or Modify Job Posting – Quick Guide” for help.

Applicants Tab

- Hover over “Postings” and select “Applicant Search” to search for an applicant
- Hover over “Postings” and select “Staff Applications,” “Faculty Applications,” “Adjunct Staff Applications,” or “Adjunct Faculty Applications” to view all applications for the position type.
 - See Search documentation beginning on page 9 of this document for help.

Hiring Proposals Tab

- Hover over “Hiring Proposals” and select “Staff,” “Faculty,” “Adjunct Staff,” or “Adjunct Faculty” to view all Hiring Proposals for the position type.
- Use the search box to locate the Hiring Proposal, then use the “Actions” button on the right.

Actions ▼

Navigating Position Management

Home Tab

1. Shows Inbox and Watch List

Position Descriptions Tab

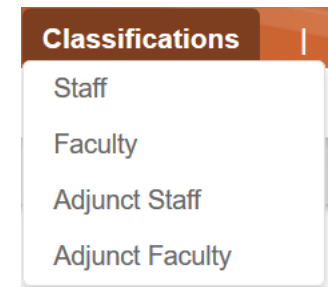

1. Hover over “Position Descriptions” and choose “Staff” or “Faculty” to view Position Descriptions of that type, or choose “Staff Position Requests” or “Faculty Position Requests” to see newly created Positions waiting to be approved.
2. From the “Staff” or “Faculty” screens, some users can choose “Create New Position Description.”
3. Use the Search box to find a Position Description or Position Request.

[Create New Position Description](#)

Classifications Tab

1. Hover over “Classifications” and select “Staff” or “Faculty” to see Classifications for that position type.
2. Search for a Classification and use the “Actions” button on the right.
3. Some users can choose “Create New Classification.”

Basic Search Functions

1. Many pages in PeopleAdmin have Search Boxes. You can search on any piece of information contained in the item in question.
2. For Position Description searches, click “More Search Options” to search on Position Number.
3. Results are displayed below. You can select multiple items and use the “Actions” button at the top to export or edit multiple items at once.
4. You can also use the small “Action” button to the right of the item in question to see Actions associated with only that item.

More Search Options

1. Click “More Search Options” to the right of the Search box to refine the search.
2. “More Search Options” let’s you add columns to the resultant set, and filter by various criterion
3. Once you have configured a useful search, click “Search.”
4. Click “Save this search?” at the top of the results to save the search to use again later.
 - a. Give the Search a name in the Name box.
 - b. Choose **who** you want to save this search for.
 - i. Personal Saved Search is for you only.
 - ii. Group Saved Searches affect all users of a role, such as Finance or Campus HR. Be aware that the PeopleAdmin system is shared with all campuses.
 - iii. Global Saved Searches affect all users, and therefore should be avoided.
 - c. Check the box next to “Make it the default search?” if you’d like this search to be run each time you (or the affected groups [above]) navigate to the selected page. Being that the system is shared among the campuses, only Personal Saved Searches should be made default.
5. To access saved searches, click “Open Saved Search” to the left of the Search box.
