PREAMBLE

This Agreement between the Board of Trustees of the University System of New Hampshire for Keene State College (hereinafter called the “College”) and the Keene State College Education Association, an affiliate of the National Education Association of New Hampshire (hereinafter called the “Association”) is made and entered into this 7th day of October, 1999, to set forth agreements reached between the College and the Association with respect to wages, hours, benefits and other conditions of employment for employees in the bargaining unit described in Article I, Recognition, which are effective July 1, 1999.

It is the intent of the parties to encourage harmonious relationships between the Faculty and the Administration, to promote the welfare of the student body, and to ensure continuation of the standards of excellence at Keene State College.
Article I

Article III

MANAGEMENT RIGHTS

The parties agree that all the rights and responsibilities of the College which have not been specifically provided for in this Agreement are retained in the sole discretion of the College and, subject only to specific limitations in this Agreement, shall include but not be limited to the following:

A. The right to direct employees; to determine qualifications, promotion and tenure criteria, hiring criteria, standards for work, curriculum; to grant sabbatical and other leaves, and to
hire, promote, transfer, assign, retain employees in positions, award reappointments; and to 
suspend, demote, discharge or take other disciplinary actions against an employee for just 
cause;

B. The right to relieve an employee from duty because of lack of work or other legitimate 
reasons, as stated in Article XV, Retrenchment;

C. The right to determine the means, methods, budgetary and financial procedures, and 
personnel by which the College’s operations are to be conducted;

D. The right to take such actions as may be necessary to carry out the missions of the College in 
case of emergencies (provided that the College shall subsequently negotiate the effects of 
such actions on terms and conditions of employment of bargaining unit members);

E. The right to make rules, regulations, and policies not inconsistent with the provisions of this 
Agreement and to require compliance therewith;

F. Notwithstanding the aforesaid rights, the College hereby agrees to consult with the KSCEA 
before converting any faculty position to PAT status.

Article IV

ACADEMIC FREEDOM

The parties agree to abide by the 1940 AAUP Statement of Principles on Academic Freedom. 
These principles can be summarized as follows:

A. It is the policy of the College to maintain and encourage full freedom, within the law, of 
inquiry, teaching, research, and publication. The College cannot fulfill its purpose of 
transmitting, evaluating, and extending knowledge if it requires conformity with any 
orthodoxy of content and/or method.

B. In the exercise of this freedom, the faculty member may discuss his/her own subject in the 
classroom; s/he may not, however, claim as his/her right the privilege of discussing in his/her 
classroom controversial matter which has no relation to his/her subject. The College is 
obligated to protect and defend faculty members from pressure and harassment connected 
with their academic and scholarly work.

C. In his/her role as citizen, every faculty member has the same freedoms as other citizens. 
However, in his/her extramural utterances s/he has an obligation to make every effort to 
indicate that s/he is not an institutional spokesperson.

Nothing herein shall be construed as an abridgment of rights guaranteed to the individual faculty 
member by the Constitution of the United States or the State of New Hampshire.
Article V

FAIR PRACTICES

The College and the Association agree not to discriminate against any faculty member because of race, color, sex, religion, marital status, national origin, disabilities, political affiliation, sexual orientation, or lawful political activity, veteran status or membership or non-membership in, or lawful activities on behalf of the Association.

The College and the Association further agree that they shall not establish a residency requirement for faculty members.

Article VI

GRIEVANCE AND ARBITRATION PROCEDURES

A. It is the objective of the parties to this Agreement to encourage the prompt and equitable resolution of grievances.

B. A “grievance” is any dispute or difference concerning the interpretation, application, or claimed violation of any provision of this Agreement, or any specific policy incorporated by reference into this Agreement. A grievance may be initiated by a member or a group of members of the bargaining unit or by the KSCEA.

C. The parties agree that, except as otherwise specifically provided in this Agreement, the orderly process hereafter set forth shall be the sole method used for the resolution of grievances.

D. If a grievance is filed under this Article, neither the Grievant nor the Association shall file or process any unfair labor practice charge under RSA 273-A:5I(h) alleging that the Agreement has been breached by the College’s conduct giving rise to the grievance, or that such conduct is in any way objectionable under law.

E. A grievance shall be considered to be formally filed when it is submitted to Step One of this procedure.

F. General Provisions

1. If a grievance is filed by the KSCEA, the KSCEA may initiate the grievance by filing immediately at Step Two.

2. Failure by the Grievant to comply with the time limitations of Step One shall preclude any subsequent filing of the grievance.
3. Failure by the Grievant at any step of this procedure to appeal within the specified time limits shall be considered acceptance by the Grievant of the decision rendered at the last step.

4. Failure by the College at any step to communicate its response within the specified time limits shall permit the Grievant to proceed to the next step. If the Step Two meeting does not take place within the time limits prescribed or within an extension of time mutually agreed upon; and if the failure to convene the meeting within such time limits is demonstrably the result of bad faith on the part of the College; and if the grievance is appealed to Step Three, the College will pay the full cost of the compensation and expenses of the Arbitrator. Any dispute over the identity of the party responsible for the failure to convene the meeting in a timely fashion will be resolved by the Arbitrator.

5. The time limits in this Article may be extended by mutual agreement.

6. Either party may choose to stop the clock for any grievance filed between the last day of classes of the Spring Semester and the first day of the next academic year. The clock shall resume on the first day of the academic year.

7. Any reference to “days” shall mean calendar days, unless otherwise specified.

8. The filing or pendency of a grievance under the provisions of this Article shall not prevent the College from taking the action complained of, subject however to the final decision on the grievance.

G. Procedure

1. Informal Consultation

The Grievant shall attempt to solve his or her grievance speedily and informally by meetings between those directly affected.

2. Step One - Grievance Consultation

If this informal discussion has failed to achieve a satisfactory resolution of the differences, the Grievant may request a settlement meeting from the appropriate Divisional Dean or Library Director. The request for such a meeting must be made in writing, with a copy to the KSCEA, and should be made as promptly as possible but in no case shall it be made more than forty-five (45) calendar days after the Grievant has become aware of, or reasonably could have known, the action(s) being contested. The submission should describe the basis of the grievance, the relevant facts, provisions of the Agreement alleged to have been violated, the adjustment sought and documents supporting the grievance. The discussion at this level should be open, informal and directed toward developing a mutually acceptable resolution of the grievance. At his/her option, the Grievant may be accompanied at all such meetings by a representative of the KSCEA. The Dean or Director will have twenty-one (21) calendar days in which to resolve the dispute and notify the Grievant and the KSCEA of the status.

a. Any resolution reached at this stage of the procedure will be non-precedent-setting and may not be cited by either party in arbitration as the basis for the resolution of any problem or grievance which may arise thereafter.

b. In the event both the KSCEA and the College agree that the resolution reached at this stage resolves a continuing or recurring issue in a mutually satisfactory way, they may certify in writing that the resolution will be precedent-setting.
3. Step Two - Grievance Conciliation

If the problem is not resolved to the grievant’s and the KSCEA’s satisfaction during the Grievance Consultation, the grievance may be submitted to the VPAA.

a. The grievance may be filed only after efforts to resolve the grievance at the Grievance Consultation have been exhausted and must be filed no later than ten (10) days following the Dean or Director’s notification of the grievant and the KSCEA of the resolution, unless an extension of time for filing has been agreed upon between the grievant and the College.

b. The VPAA will arrange a conciliation meeting to take place within thirty (30) calendar days of the receipt of a Step Two grievance; said meeting will include the grievant, a representative of the Association and representatives of the College appropriate to the problem to be addressed. The VPAA will distribute copies of the grievance filings to all participants.

c. The Grievant, the KSCEA and the College have the responsibility to provide to the conciliation group documents which can be reasonably expected to contain evidence bearing on the case or which can be reasonably expected to lead to the discovery of such evidence. The college will coordinate the acquisition of such documents and prior to the initial meeting of the conciliation group, if possible. All documents shall be provided within fourteen (14) days after the initial meeting of the conciliation group. Additional relevant evidence not introduced at this Step may be introduced at Step Three.

d. The conciliation group will meet to review the grievance and attempt to fashion a mutually acceptable resolution. The meetings shall be non-adversarial and each party will extend serious consideration to the views of the other parties. All parties will make available to the others all relevant documents and other evidence bearing upon the grievance.

e. If the parties are able to reach consensus for the resolution of the grievance, the terms of that resolution, including any remedy agreed upon, will be recorded in writing and will be implemented promptly and in good faith by all parties. If consensus cannot be reached this will be documented in writing.

i. Any resolution reached at this stage of the procedure will be non-precedent setting (except as noted in G.3.e.ii. below) and may not be cited by either party in arbitration as the basis for the resolution of any problem or grievance which may arise thereafter.

ii. In the event both the KSCEA and the College agree that the resolution reached at this stage resolves a continuing or recurring issue in a mutually satisfactory way, they may certify in writing that the resolution will be precedent-setting.

4. Step Three - Arbitration

a. Any grievance which has not been satisfactorily adjusted under the Grievance Procedure may be submitted for settlement under the Arbitration provisions of this Article.

b. An appropriate grievance as specified in Section B of this Article may be brought to arbitration by the Association only if written notice is served on the College within
thirty (30) calendar days of the written documentation of failure to reach consensus at Step Two.

c. Arbitration shall be conducted by an impartial Arbitrator mutually chosen by the parties. At the option of either party, a Board of Arbitration will be appointed instead, consisting of one (1) representative selected by the KSCEA, one (1) representative selected by the College, and an impartial Chair mutually chosen by the parties.

The procedure for arbitration will be as follows:

i. An Association representative and a College representative shall communicate promptly to choose an Arbitrator but no later than ten (10) calendar days from the date of the demand for arbitration. The American Arbitration Association shall serve as the administrator for the parties. If no selection can be made within such ten (10) day period, then either party may request lists from the American Arbitration Association, and selections shall be made in accordance with the Rules of that Association.

ii. If the College contends at the hearing that the grievance under consideration does not raise an arbitrable issue, and the College has explained its position to the Association at least thirty (30) calendar days prior to the hearing, the Arbitrator or the Board of Arbitration shall first hear and determine separately in accordance with paragraph (d) below, the question of whether an arbitrable issue has been presented. If the Arbitrator or a Board of Arbitration decides that the issue or issues are arbitrable, than the Arbitrator or Board shall have the authority to further hear and determine the merits of the grievance.

iii. Hearings and post-hearing activities shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association.

iv. When a Board of Arbitration is used, the decision of a majority of the Board shall be the decision of the Board of Arbitration. Neither the Arbitrator nor any Arbitration Board shall have the power to add to, subtract from, modify, or disregard any of the provisions of this Agreement, nor shall the Arbitration or any Arbitration Board substitute their judgement for that of the College with regard to any grievance based upon a challenge of management right, subject to the provisions of this Agreement. In deciding a case before them, an Arbitrator or any Board of Arbitration may review whether or not the College has met a specific standard delineated in the Agreement alleged to have been violated.

v. Each party shall bear the expense of preparing and presenting its own case. The compensation and expenses of the Arbitrator or the impartial Chair of any Board of Arbitration shall be borne equally by the parties.

d. Both parties agree to abide by the decisions of the Arbitrator or the Board of Arbitration but shall retain whatever rights they have under the law to challenge the decisions of the Arbitrator or the Board of Arbitration. Any appeal shall be filed within thirty (30) days of notice of the arbitration decision.

e. Unless otherwise mutually agreed, each arbitration hearing shall deal with no more than one (1) grievance.
Article VII

PERSONNEL FILES

A. A personnel file exists as a record of an individual’s personnel history, achievements, and contributions to the institution. The uses to which this file is put are important to the faculty member as well as the System. For this reason, personnel files are highly personal and confidential records, and it is important for the faculty member to know what is in his or her file. Authorized personnel and the faculty member determine the content of these files and both may be users of them. (“Authorized personnel” includes those designated by the institution and by the University System.)

B. All materials within the personnel file, following enactment of this policy, are available for inspection and copying by the individual concerned, with the following exception: materials solicited prior to employment, such as letters of recommendation and files from previous institutions or employers. The individual unit member may make copies of any materials in his/her file at the applicable college rate.

C. Unsolicited letters, comments or complaints about faculty behavior may or may not end up in the personnel file. Once a complaint has been received, discovery of the merits of the complaint, education of the faculty member, and protection of the complainant are the highest priorities. The faculty member shall be informed within thirty (30) days of such a complaint. Complaints shall be discussed between the Divisional Dean and the faculty member. In the case of fear of retaliation, protection of a student complainant shall require Divisional Dean discretion and anonymity until the end of the semester. If the complaint is found to have substantive merit, then a written complaint shall be placed in the personnel file in accordance with the provisions of this Article. An individual shall have the right to respond to any materials placed in the personnel file, and such response shall be made part of the personnel file appended to the original material. No material reflecting adversely on an individual’s performance or related to any suspension, discharge or other disciplinary action against an individual shall be placed in the personnel file until the individual has been given a copy or notified of the material.

D. Third parties are not entitled to inspect files. Information available to third parties is limited to name, position, salary and length of time of University System employment. (A third party is defined as a person or group other than the staff member, his/her designee, or an appropriate official of the University System or institution.) Officials of federal or state agencies may have access to personnel files only with a court order or by approval of the System legal counsel in accordance with federal or state regulations. If such access is authorized, each individual so affected will be informed.

E. The personnel file shall include only pertinent materials and the file is subject to the above conditions. The personnel file is maintained by the campus Human Resource Office. Special files or other materials shall not be kept. Letters of caution, commendation, consultation and reprimand are considered to be of decreasing significance with the passage of time. Current information is given far greater weight than historical data. Should an individual desire to have materials removed from the personnel records which s/he feels to be incorrect or no longer relevant, s/he has the right to request removal. Such a request for removal shall not be unreasonably denied.
F. Medical records, including mental health records, shall not be part of the employee’s regular personnel file. Review of medical records, including mental health records, shall be limited to the necessary benefit administration personnel and the Vice President for Academic Affairs. Any other access shall be only with prior approval of the employee and/or in accordance with Section D of the Article.

G. No part of this policy shall be in violation of RSA 91-A, New Hampshire’s “Right to Know” Law or RSA 275:56. Should new statutes become effective with regard to personnel files and records, the University System will react appropriately to comply with those statutes and will notify all personnel accordingly.

**Article VIII**

**EVALUATION PROCEDURES**

The evaluation of the professional activities of all faculty in a public institution of higher education is essential for the maintenance of academic and professional standards of excellence. The purpose of faculty evaluations shall be to enhance the improvement of individual professional performance and to provide a basis for various personnel decisions. The parties have created guidelines for promotion and tenure and recommendations for promotion and tenure files. These are included in the faculty manual.

A comprehensive system for faculty evaluation effectively considers materials from students, peers, the immediate academic supervisor and from the faculty member himself/herself.

Faculty evaluations will include: A performance evaluation process for the purpose of professional improvement and contract renewal, and an evaluation process for promotion and tenure. Performance evaluation and recommendations for tenure and promotion in rank will be based on consideration of the following criteria:

- Teaching effectiveness
- Scholarship and related professional activity
- Service to the College

The evaluation for promotion and tenure will utilize the performance evaluations as part of the materials reviewed. Evaluations of a junior faculty member shall address progress toward meeting criteria for tenure and shall address progress toward meeting criteria for promotion for those who plan to apply for promotion as indicated in section A.1.e below.

A. Performance Evaluation

1. Each academic year the Divisional Dean or Library Director will submit a written performance evaluation for each faculty member in his/her Division scheduled for review to the Vice President for Academic Affairs, with any appropriate recommendation of various personnel decisions. DPEC recommendations and a copy of the individual’s Annual Information and Self-Evaluation will be included with the evaluation materials forwarded to the Vice President.
a. For faculty in their first year of appointment, an evaluation will be conducted at the end of the first and second semesters.

i. The DPEC shall meet with the faculty member by the end of the second month of his/her first semester to discuss teaching and to specify materials and dates for a first semester evaluation. The DPEC shall conduct a formal evaluation for the first semester which will be forwarded to the Dean by the fourth week of the second semester. After the receipt of the DPEC evaluation, the Dean shall do a formal written evaluation.

ii. At the end of the second semester a second formal evaluation shall be conducted.

b. For untenured faculty (after the first year), formal annual evaluations shall be conducted at the end of the spring semester.

c. Tenured faculty who are to be reviewed will be reviewed in the fall semester.

d. Annual and semi-annual reports shall have developmental and evaluative goals. Clear statements assessing progress toward promotion and tenure serve the best interests of both the faculty member and the College. DPEC may recommend non-renewal.

e. Tenured assistant and associate professors who plan to apply for promotion to the next highest rank shall be evaluated every two (2) years. All other tenured faculty shall be evaluated once every five (5) years. A rotating schedule for this process will be established by each department in consultation with its Dean. However, tenured faculty applying for promotion must have requested to be evaluated within the last two (2) years prior to application.

f. A faculty member or Divisional Dean or Director may initiate the evaluation process for any year in which the faculty member is not scheduled for a performance evaluation.

g. All faculty are required to complete and submit the Annual Information and Self-Evaluation report at the end of each academic year. The completed form becomes a part of the faculty member’s personnel file.

2. The evaluation process begins with the individual faculty member, who is responsible for keeping and providing to DPEC complete and accurate records of all activities related to his/her professional growth and development, including copies of all previous DPEC reports. The information shall also be summarized in the annual Faculty Self-Evaluation Report which is submitted to the Divisional Dean or Director.

3. a. Each September each department shall select a peer evaluation committee (DPEC) for each faculty member to be evaluated. For departments having more than one faculty member to be evaluated, more than one DPEC may be selected. The size and composition of the committee(s) and the manner of selection of the members and Chair shall be determined by the members of each discipline. A faculty member shall have the right to request that one colleague not serve on his/her DPEC. The remaining DPEC members shall choose a replacement. A faculty member may designate a bargaining unit member from another discipline to serve as a member of his/her DPEC for the purpose of conducting a more comprehensive evaluation.
b. Each department shall operate under the Guidelines and Procedures for DPEC Evaluations which the KSCEA shall issue with each contract (See KSC Faculty Handbook). These Guidelines shall provide minimum procedures that each DPEC shall follow in order to ensure a full and fair deliberation of a faculty member’s case. Nothing in the Guidelines shall contravene any provision of this Agreement. The Guidelines should address procedural issues only and are not intended to address evaluative criteria, standards of review, the weight to be given to criteria or other substantive matters.

4. The following departments shall be recognized for the purpose of peer evaluation, including the establishment of guidelines and assignment of Chairs.

1. Art  
2. Biology  
3. Chemistry  
4. Communications/ Philosophy/ Journalism  
5. Computer Science  
6. Economics/ Political Science  
7. English  
8. ESEC  
9. Geology  
10. Geography  
11. History  
12. Home Economics/ Human Services  
13. Library  
14. Management  
15. Mathematics  
16. Modern Languages  
17. Music  
18. Physics  
19. Physical Education  
20. Psychology  
21. Sociology/ Anthropology  
22. Technology, Design, & Safety  
23. Theatre/ Dance/ Film

5. The Divisional Dean or Director will inform each Chair of the deadline for submission of committee evaluations, which are advisory in nature. A DPEC report should be substantive and specific in addressing the faculty member’s performance. In annual evaluations, as opposed to tenure and promotion evaluations, an important goal is faculty development; therefore, documented weaknesses should be accompanied by suggestions for improvement.

6. Before the Divisional Dean’s or Director’s consideration of the individual faculty member’s materials, the faculty member being evaluated has two additional options:

a. In the extraordinary event that DPEC fails to present a report by the deadline, the faculty member may, within the next two weeks, add up to three individual evaluation letters from department colleagues to his/her materials.

b. The faculty member being evaluated will sign the DPEC report to indicate awareness of the content. To the extent that the faculty member disagrees with the DPEC report s/he may attach a statement of disagreement.

7. In making his/her evaluation and recommendations, the Divisional Dean or Director will consider the DPEC reports, course syllabi, student evaluations, his/her assessment of teaching effectiveness, scholarship and related professional activity, service to the College, and academic advising in the development of the overall performance evaluation. The faculty member shall be provided a copy of, and have the opportunity to
respond to, any material used in DPEC deliberations that s/he did not submit. If the Divisional Dean or Director disagrees with the DPEC report, his/her report shall explain why.

8. Each faculty member shall be apprised of his/her evaluation and the Divisional Dean’s or Director’s recommendations during an individual conference before the evaluation report is submitted to the Vice President.

9. A copy of the performance evaluation shall be placed in the faculty member’s personnel file with all pertinent documentation.

10. It is expressly understood that neither the Association nor any faculty member may file a grievance under Article VI regarding any action of DPEC or any faculty committee under this Section.

11. Upon the recommendation of the Vice President for Academic Affairs, the President shall make final decisions on personnel matters arising from performance evaluations.

12. 
   a. Performance-based non-renewal decisions will be based upon consideration of the three criteria of teaching effectiveness, scholarly and related professional activity, and service to the college. Such decisions may also include a consideration of the disciplinary record of the faculty member.

   b. A non-tenured faculty member who is notified of non-renewal of contract may grieve the decision based upon allegations that the procedure for non-renewal has been violated or that there has been a violation of Article V, Fair Practices, or that the decision was arbitrary or capricious. However, only a faculty member with more than two years of service at the College may have an arbitrator review whether or not the decision was arbitrary or capricious.

B. Evaluation for Promotion and Tenure

1. By June 30 before each contract year, the Vice President for Academic Affairs will inform those faculty who are eligible for promotion and/or tenure as defined in Articles IX and X. A copy of this notice will be sent to the Chair of the Faculty Evaluation Advisory Committee (FEAC) and to the Chairs and Deans. The Vice President will inform each of these faculty members of the promotion and tenure review timetable and FEAC will inform the faculty members of the materials it requires for review.

2. Procedures described in VIII.A.2-8 shall also apply to tenure and promotion evaluations performed by DPECs.

3. Individuals to be considered for tenure and/or promotion must inform their Chair and Divisional Dean or Director before September 15 of the year in which they will be considered. The Dean or Director shall in turn provide the department with a list of the announced candidates and shall remind them of their responsibilities and deadlines.

4. The faculty member shall submit his/her materials for consideration for tenure and/or promotion to DPEC. After the faculty member receives a copy of the DPEC recommendation, s/he may withdraw the application within seven (7) calendar days. If the application is not withdrawn by this deadline, the review process will go forward to completion.

5. The file and the DPEC recommendation will be made available to the Divisional Dean or Director, who will write a separate recommendation and forward it to the Vice President.
for Academic Affairs. FEAC will consider the file and DPEC recommendations and make its summary written recommendation available to the Vice President for Academic Affairs with the complete file. A copy of each recommendation will be sent to the individual faculty member when it is forwarded.

6. FEAC shall be composed of five (5) tenured faculty members from the upper three (3) ranks in accordance with a selection process determined by the total faculty. The Committee shall operate under the Guidelines on Procedures for FEAC Evaluations which KSCEA shall issue with each contract (See KSC Faculty Handbook). These Guidelines shall provide the minimum procedures that FEAC shall follow in order to ensure a full and fair deliberation of a faculty member’s case. Nothing in the Guidelines shall contravene any provision of this agreement. The Guidelines should address process issues only and are not intended to address evaluative criteria, standards of review, the weight to be given to criteria or other substantive matters. Each FEAC is free to supplement such Guidelines should it deem it necessary provided it is in a manner consistent with the Guidelines.

7. The Vice President for Academic Affairs will inform FEAC of the deadline for submission of FEAC’s recommendations, which are advisory in nature. If these are not submitted by the stipulated deadline, the College will proceed without committee input. The faculty member’s personnel file will be available for review by FEAC.

8. The College shall not arbitrarily reverse FEAC recommendations on promotion and tenure.

9. It is expressly understood that neither the Association nor any faculty member may file a grievance under Article VI regarding any action of the FEAC or any other faculty committee under this Section.

10. Recommendations for tenure will consider the program and enrollment needs of the College as addressed in Article XIV, Retrenchment.

11. The Vice President for Academic Affairs will give his/her recommendations regarding promotions and tenure to the President of the College for review before transmittal to the Board of Trustees for final consideration. A copy of the Vice President’s recommendations will also be given to the faculty member and to the Chair of FEAC.

B. Dependent Care Leave

1. No more than once every two (2) years a faculty member who requests it shall be granted a leave of absence without pay for dependent care.

2. Extensions beyond fifteen (15) weeks of unpaid dependent care leave shall be considered on a case-by-case basis.

3. When a faculty member is granted a leave for dependent care, the College will continue to pay its share of any benefits for 120 days, provided however, that if the faculty member does not return to work, s/he may be required to reimburse the College for benefit costs.

Article XXII

BENEFITS (SUPPLEMENTAL COMPENSATION)

Unless otherwise qualified by this Agreement, faculty members covered by this Agreement shall receive the benefits approved and outlined in Board of Trustee and USNH policy USY-V-A as of June 30, 1999.

The faculty at Keene State College may designate a representative to the USNH System Personnel Policy Council which regularly proposes benefits modifications and makes recommendations to the Administrative Board. Should a committee be established to examine levels of benefits in other institutions of higher learning in comparison to the University System of New Hampshire, the Association shall send a representative to serve on the committee.

A. Medical Benefits

1. Employees shall be permitted to select from any of the medical options included in the University System Flexible Benefits Plan. Premium contributions made by USNH to other existing medical insurance plans shall be equal to premium contributions made by USNH for medical plan Option B or the actual premium, whichever is less. The employee/employer contribution to medical plan Option B will be calculated based on the formula described below. Faculty who select an option that requires a premium that exceeds the employer’s contribution to Option B will pay the additional premium through payroll deduction.

Employer/Employee Contribution Formula

The University System and faculty members shall share the cost of medical contributions for medical Option B in the following manner:
<table>
<thead>
<tr>
<th></th>
<th>Employer</th>
<th>Employee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single</td>
<td>90%</td>
<td>10%</td>
</tr>
<tr>
<td>2-Person</td>
<td>85%</td>
<td>15%</td>
</tr>
<tr>
<td>Family</td>
<td>83%</td>
<td>17%</td>
</tr>
</tbody>
</table>

2. Offer of Subsidized HMO Option

As a limited exception to the above formula and for this 1999-2003 Agreement only, the employer shall select one of the HMO's currently in place as of June 10, 1999 and shall subsidize the selection of such designated HMO by a faculty member in the following manner. A faculty member who selects the designated HMO shall pay no more than the following premium contributions:

Single   ~  0
Two Person ~ $4 per pay period ($104 per year)
Family   ~ $8 per pay period ($208 per year)

Effective January 1, 2003, these caps will increase to:

Single   ~ $2 per pay period ($52 per year)
Two Person ~ $5.50 per pay period ($143 per year)
Family   ~ $10 per pay period ($260 per year)

The employer shall be free to select from any of the current HMO's (as of June 30, 1999) to be the designated subsidized HMO and shall be free to substitute one current HMO for another current HMO in its discretion, provided, however, that such substitution shall only occur at the beginning of a calendar year and with sufficient notice to faculty during the open enrollment period.

If, during the life of this Agreement, the employer wishes to select a different HMO other than those offered as of June 30, 1999 as the designated plan to be subsidized, it may do so only with the agreement of the KSCEA.

This provision shall not affect in any other way the medical plan options offered under this Agreement or the level of employer/employee contributions specified in this Article for such options.

This provision shall continue in full force and effect until December 31, 2003 and may be continued beyond that date by agreement of the parties.
3. The employer shall be free, in its discretion, to offer new plans for faculty to select in addition to those offered as of the effective date of this Agreement.

Significant modifications to the level of coverage or to the internal fees and co-payments required for Option B will trigger a meet and discuss obligation between the parties in those cases where the employer is proposing changes. No agreement shall mean no change in Option B.

The parties agree that there is no obligation to negotiate in cases where an insurance carrier, at its own initiative, unilaterally changes the Option B plan in a way which reduces the level of coverage or increases the internal fees and required co-payments and imposes such changes on the employer and where there is no alternative plan for Option B that maintains or exceeds current coverage or maintains or reduces internal fees and co-payments.

The parties also agree that there shall be no obligation to negotiate in cases where plans must be modified due to changes in law or external regulation.

In cases where the impetus for change in Option B comes from the carrier and choices are offered to the employer, the parties will immediately commence negotiations over the choices. Where the parties cannot reach agreement within 30 days of the date upon which the Association is notified of the proposed changes, then the carrier choice that provides the closest coverage (same or above) for Option B will be selected.

With regard to health plans other than Option B, whenever a carrier indicates that there will be significant modifications to the level of coverage or to the internal fees and co-payments required for such plans, the employer will negotiate such proposed changes and any alternatives with the Association. Where the parties cannot reach an agreement within 30 days of the date upon which the Association is notified of the proposed changes, then the carrier choice that provides the closest coverage (same or above) will be selected.

In cases where the changes are occurring in the designated subsidized HMO plan described in Section 2, the employer shall be free to select a different HMO to be the designated subsidized plan.

B. Other Supplemental Compensation

The parties agree that those moneys specified by employees may be placed in "pre-tax" accounts to be used to cover non-reimbursed medical costs and dependent care. Such deposits may be made up to, and including, the maximum amount permitted by law.

C. Faculty Contribution to Medical Coverage

The parties will meet and discuss the UNH-AAUP approach to contributions at a mutually agreeable time no later than December 1, 2002 with the purpose of considering such an approach for future contracts.

D. ARC/Retiree Medical

USNH Policy USY-V-A-7 shall apply as follows: Faculty members hired on or after 6/30/95 shall be eligible only for ARC. Faculty members hired before 6/30/95 shall be eligible for the transition plan described in 21.4.4. On or before March 31, 1995, such faculty members made a written selection of either the Medicare supplemental plan or ARC (Additional Retirement Contribution). Plan selections and eligibility are described in USY-V-A Section
7. If the faculty member did not select ARC, he/she remains in the current Medical supplemental plan, subject to the eligibility requirements of the plan. All other aspects of the USY-V-A Section 7 shall remain the same.

E. Early Retirement options are described in Article XXIII and not in Board of Trustee policy.

**Article XXIII**

**CAREER TRANSITION PLAN**

A. Goal

The parties recognize that the decision to retire from the College is an extremely important one for both the faculty member and the College. The decision can be made easier, however, if there are a variety of options available which may suit the varying needs and interests of the faculty member and College. Consequently, consistent with the fiscal constraints on the College and the efficient delivery of educational services, the parties have agreed to the following options for eligible faculty who are contemplating retirement.

B. Options

Eligible faculty members who are considering retiring or otherwise leaving the College have the following options:

1. Apply for the Early Retirement Plan (ERP) (described below) with intention of leaving at the end of the academic year.

2. Apply for the ERP with intention of working the following year on a half time basis at half salary with full benefits and then leaving the College and receiving the benefits of the plan. (This intent to work half time must be stated along with the application for the plan.)

   If a faculty member is not approved for the ERP:

   a. An eligible faculty member can still elect, in the third year of the contract during the open enrollment period, the Career Transition Incentive Plan (CTIP) described below and leave at the end of the academic year, or any date consistent with the CTIP.

   b. An eligible faculty member can elect CTIP, in the third year of the contract during the open enrollment period and work half time the following year and leave at any time consistent with the CTIP selection.

   c. The faculty member can choose to continue working full-time and apply for the ERP at some later date.

3. An eligible faculty member can choose not to apply for the ERP at all and instead simply take, in the third year of the contract during open enrollment, the CTIP.

4. An eligible faculty member can choose CTIP, in the third year of the contract during open enrollment and choose to work on a half time basis for one year prior to the CTIP separation date.
C. Conditions

There shall be no duplication of plans e.g. a faculty member who applies and is approved for the early retirement plan shall not also be eligible to take the CTIP.

The parties agree that a full-time faculty member who elects to work on a half time basis as a phasing into retirement shall be considered a member of the bargaining unit for that one year. However, there shall be no further evaluations done during that year nor shall the College have any further duty to notify the faculty member about termination of service. It will be understood that the year of half-time work will be considered the final year of employment.

D. Early Retirement

The elements of the Early Retirement Plan (ERP) are as follows:

1. Eligibility
   a. Definitions

   *Years of Service* - shall include all years of service at USNH in any benefits eligible capacity. This includes service in capacities other than faculty, but does not include part-time lecturer or other non-benefits eligible service.

   *Full-Time* - Full-time service means at a benefit eligible rate of 100%. This is normally 40 weeks for academic year faculty and 260 days for Librarians.

   *USNH* - The University System of New Hampshire including Keene State College, Plymouth State College, the College for Lifelong Learning, and the University of New Hampshire.

   b. Requirements

   A faculty member will be eligible to apply for Early Retirement with fifteen (15) or more years of full-time service in the USNH, is a participant in the USNH retirement program, and is at least fifty-five (55) years old. All of these must be applicable as of the effective date of the Early Retirement.

2. Application Verification and Notification - Application for ERP must be made by November 15th of any year in order to be considered for ERP effective on July 1st of the next fiscal year. Verification of the dates of service, age and salary shall be the responsibility of KSC Human Resources Office. Notification of the “automatic” ERP approval will be made to the faculty member by December 15th of the same year. The ERP approval, that is made at the discretion of the College, shall be made and communicated to the affected faculty members no later than February 15th of the year following the application date.

3. Nature of decision - In each fiscal year of the contract (FY 00, FY 01, FY 02, FY 03) the following Early Retirement Plan stipends will be granted (assuming there are qualified applicants) to those bargaining unit members who apply.

   a. In the first year of the contract faculty members who are age 60 and have 15 years of service as of 7/1/99 (years of service and age based on the definitions described above) will be automatically awarded an Early Retirement Plan.
b. In the second, third, and fourth year of the contract ~ Each year three (3) Early Retirement Plan stipends will be automatically awarded to the faculty member whose application has the highest eligibility index (based on years of service and age, as described in 1.b above, and fractions thereof).

If three ERP stipends are not awarded in the third year of the contract, the balance will be rolled into the fourth year of the contract.

c. The College may at its discretion approve additional Early Retirements.

4. Compensation and Benefits

a. The faculty member shall receive, from the effective date of Early Retirement an annual stipend for three (3) years (except as noted below) in accord with the following schedule:

d. Benefits. Approval for Early Retirement shall include coverage for health, dental and life insurance until age sixty-five (65) or a maximum of three (3) years, whichever is greater. At age 65 or older the faculty member will be covered by USNH retiree medical coverage, if previously elected, or an active medical plan, if retiree medical was not previously elected. These coverages have the same availability and employee contribution rates as is available for active employees.

e. The salary rate for calculation of the Life Insurance benefit will be the last annual salary rate in effect prior to Early Retirement. Life insurance coverage is subject to the provisions of the plan.

5. Non-grievability - Except as to matters of process, neither the Association nor a faculty member shall have the right to grieve the discretionary denial of an ERP application.

E. Career Transition Incentive Plan

The Career Transition Incentive Plan (CTIP) is only available the third year of the contract. The elements of the career transition incentive plan (CTIP) are as follows:

1. Eligibility - A bargaining unit member is eligible to apply for CTIP with an index of seventy (70) (index equals age plus years of benefits eligible service at USNH) and an age of at least 55 years on the date of termination (retirement).

2. Review process - Verification of age, dates of service and salary shall be the responsibility of the KSC Human Resource Office. Approval for CTIP will be automatic if the faculty member is eligible.

3. Open Enrollment and Effective Dates - The enrollment period for the CTIP will be October 1, 2001 to June 1, 2002 for effective dates of termination between January 1, 2002 and June 30, 2002 or between January 1, 2003 and June 30, 2003. Applications received after June 1, 2002 will not be accepted. There is no other open enrollment period. A separation is to be at the end of a semester.

4. Compensation - CTIP is a one time payment based on the following formula:

   a. Basic - 40% of the final year’s annual salary rate.

      If the faculty member selects the half-year employment option the year before departure, the last full year’s salary will be the salary used for this calculation.

   b. A faculty member electing CTIP may elect to receive

      EITHER

      a Medical Option -- up to three (3) years of active employee medical coverage, with the same availability and employee contribution rates as is available for active employees. This option does not affect retiree supplemental medical
coverage, if the faculty member has previously selected it and otherwise meets the eligibility requirements;

OR

$10,000 in cash.

5. Non-status post retirement work option - The parties agree that retirees, including all ERP and CTIP recipients who wish to maintain some work connection with the College, can apply and shall be considered for non-status and non-tenure-track employment. Such a retiree shall work in a non-status capacity. This includes but is not limited to:

a. As a classroom instructor.

b. As an advisor of independent studies.

c. As a mentor to new faculty.

d. In limited cases, as a member of special curriculum or other committees where the insights of the retiree may be particularly relevant.

e. As an advisor to students.

f. In some other consultative or service role.

g. As an ambassador for the College working with the admissions office in recruiting new students.

h. As a representative of the College in system activities such as the study of transferability of credits among USNH institutions and post-secondary NH institutions.

Retirees, at their request, shall be offered a service opportunity with the College for at least the first year following retirement. The payment and duties shall be negotiated between the retiree and the College, provided, however, the minimum payment per semester shall be the equivalent of overload compensation for teaching one three credit course. The offer of work and the rate of pay may be greater by agreement of the retiree and the College. After one year, the decision by the College to continue employment (or not) is completely discretionary.

A faculty member working after retirement shall be dealt with in the same manner and in accordance with the College’s policies on non-status faculty. At no time are such retirees to be considered as members of the bargaining unit for any purpose. Nothing in this agreement shall be construed as an admission by the Board that it has any duty to bargain with the Association over retirees.
Article XXIV

NO STRIKE OR LOCKOUT

A. The Association, on behalf of its officers, agents and members, and all faculty members agree that so long as this Agreement or any written extension hereof is in effect, there shall be no strikes, slow-downs, walkouts, or withholding of services.

B. Any member of the unit who violates the provisions of this Article will be subject to discipline, including discharge.

C. The Association agrees to indemnify the College for all expenses and damages that occur as a result of prohibited activity under Section A of this Article when such action is publicly condoned by the Association. In the event of a prohibited strike under this Article, the Association agrees to use every reasonable effort to inform members of the unit of the illegality of such activity and of the Association’s policy of opposition to such activity.

D. The College agrees that it shall not invoke any lockouts for the life of this Agreement or any written extension thereof.

Article XXV

SEPARABILITY

If any provision of this Agreement or any application of the Agreement shall be found contrary to law or invalid by any court of competent jurisdiction or any administrative agency having jurisdiction, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications of this Agreement shall continue in full force and effect.

Article XXVI

DURATION

This agreement shall continue in full force and effect from July 1, 1999, until midnight June 30, 2003, and shall be automatically renewed from year to year thereafter, unless by January 5 of the year in which the Agreement is expiring either party notifies the other in writing by registered mail of its desire to terminate or amend the Agreement. All Association proposals, including cost items, shall be presented to the College on or before January 15 of the year in which the Agreement is expiring. The Board shall present its counterproposal no later than April 15 following the timely receipt of the Association’s proposal.
MEMORANDUM OF UNDERSTANDING
BETWEEN THE USNH BOARD OF TRUSTEES AND
THE KEENE STATE COLLEGE EDUCATION ASSOCIATION

1. MEMORANDUM OF AGREEMENT ON ADVISING

The College and the Association are committed to increasing the effectiveness of academic advising and improving the distribution of faculty advising workload in disciplines where the number of advisees exceeds the contractual limit of twenty-one per faculty member. The College will work with these disciplines on a flexible approach to the problem that will include one or more of the following: 1) increasing the number of full-time faculty in the discipline, 2) modifying the curriculum so that at least some of the academic advising load will be handled through credit courses, 3) using group advising where this can be effective, and 4) assigning faculty from related disciplines with lighter advising loads to advise students in affected disciplines. The College and the Association will exchange information about their efforts on academic advising workload issues. The College will continue to explore new ways to improve academic advising as part of its overall effort to improve student academic performance and retention.

2. MEMORANDUM OF AGREEMENT ON HEALTH AND DENTAL BENEFITS

The parties agree that the cost, availability and options concerning health and dental insurance are important compensation issues for the faculty and the college. The parties agree that it would be advantageous for representative(s) of the faculty to participate in exploring dental coverage initiatives with the system administration and to share thoughts and information regarding this area. Therefore, during the life of this agreement, the Association may select one or more representatives to meet with System representatives to review benefit issues, particularly dental coverage options.

3. MEMORANDUM OF AGREEMENT ON PARKING

The parties recognize that the availability of parking on campus has been and continues to be an issue of concern to faculty members. Consequently, the College agrees that it will take active steps to address the parking issues, particularly in the Science Building parking lot. These active measures will include the following:

1. The VPAA will review with a representative of the Association the pending parking tickets and fines given to faculty members and will review whether or not the tickets and fines are appropriate or should be waived.
2. The College will consider the following as possible ways to alleviate the parking problems:

   a. Placing a gate at the Science building parking lot.
   b. Booting or towing the vehicles of repeat parking offenders.
   c. Adding more parking spaces.
   d. Reviewing the bus routes to avoid blocking parking lot access.
   e. Restricting the times in which students have access to certain lots on campus.

4. **MEMORANDUM OF AGREEMENT ON ADMINISTRATIVE RESPONSIBILITIES OF FACULTY**

The College and KSCEA agree that through the period of this contract the academic divisions are free to conduct experiments in handling faculty administrative responsibilities. Currently these responsibilities are outlined in Article XI.O - Academic Chairs on the responsibilities and reassigned time for academic Chairs. Within the limits of reassigned time established by this contract for each division the divisions are free to engage in the following process:

- Identification by the dean and the faculty of necessary administrative tasks to be carried out by faculty.
- The reassigned time devoted to administrative tasks by faculty in the division as outlined in Article XI.O can then be used in a fashion mutually acceptable to the dean and the faculty to allow for the efficient carrying out of these administrative tasks.

These experiments in using faculty reassigned time will continue for the length of this contract and will be evaluated at the end of this contract by the College and KSCEA.

5. **MEMORANDUM OF AGREEMENT ON SCIENCE LAB SUPPORT**

For each year covered by this agreement, $10,000 will be appropriated by the College for expenditures for laboratory support in the Division of Science.

6. **MEMORANDUM ON CONFLICT MANAGEMENT**

Unmanaged conflict can be a serious impediment to the realization of the interests of both the faculty and the administration. Conflict may occur in areas and around issues that are not covered by the collective bargaining agreement and thus not subject to the grievance procedure. The parties agree that the management of conflicts between and among members of the Keene State College community may warrant greater and/or more formal attention than is currently
devoted to it. They will remain vigilant for areas of concern, mutually seek and jointly consider options and alternatives for the healthy management of conflict.

7. **MEMORANDUM OF AGREEMENT ON SAME-SEX DOMESTIC PARTNER BENEFIT COVERAGE**

The parties agree that the issue of same sex domestic partner benefit coverage is being actively discussed and debated throughout the University System. While no such coverage exists at the time of the signing of this Agreement, the parties agree that, should the Board of Trustees decide during the life of this Agreement to offer same-sex domestic partner benefit coverage to employees within the System, then such coverage shall automatically be applied to the members of this bargaining unit.

8. **MEMORANDUM OF AGREEMENT ON FACULTY WORKLOAD**

Workload remains a concern of both parties. In an attempt to improve the mutual understanding of workload issues a Classroom Workload issues committee, established by memorandum of agreement in the 1994-96 Collective Bargaining Agreement recommended that sharing information on workload and on local attempts to address it were desirable. The parties agree to continue annual sharing of workload information including, but not necessarily limited to, overloads, reassigned time, numbers and percent of courses taught by non-bargaining members, contact hours, and average class size. The parties see no easy solutions to workload issues, but feel that mutual sharing of data and regular discussion of options to improve the utilization and effectiveness of faculty time are common interests.

**SIDE LETTER ON THE STATUS OF LIBRARIANS**

The parties acknowledge that during the negotiations of the 1999-2003 Agreement, the issue of the bargaining unit status of certain PAT librarians was discussed. In those discussions, the College agreed that it was willing to have such librarians be considered members of the bargaining unit as long as certain issues were resolved relating to their working conditions under the collective bargaining agreement, as well as certain issues relating to the working conditions of the current unit librarians. Due to the complexity of these discussions, the parties agree that a working group will be established to resolve such issues and provide a recommendation to the KSCEA and the College as to how they will be addressed.

The working group will include but not be limited to the Vice President of Academic Affairs, the library director, representatives of the PAT librarians and the faculty librarians and a representative of the KSCEA. The group will address the issues of librarian work load and expectations, vacation scheduling, hours of work, professional expectations for librarians, the process for promotion and tenure review for the PAT librarians and implementation of same, salary issues, the issue of having a department Chair and any other issues which the parties may wish to address involving the addition of the PAT librarians to the unit.

The working group will complete its work and submit recommendations to the KSCEA and the College in sufficient time for the librarians to be added to the unit on January 1, 2000. However, until final agreement is reached between the KSCEA and the College, the current PAT librarians will maintain their non-unit status.
IN WITNESS WHEREOF, The Board had caused this instrument to be signed and sealed by its
duly authorized representatives and the Association has caused this instrument to be signed and
sealed by its duly authorized representative in May, 2001.
